

# ADVANCED ADJECTIVES 1

loud, confused sound esp.  
of people shouting

resistant to damage

uncivilized, brutal, cruel

easily made sick by the site  
of blood or graphic images

extremely difficult

1. At a young age, boys are sent to the mines to do \_\_\_\_\_, back-breaking labor.
2. The \_\_\_\_\_ noise of the protestors drowned out the President's speech.
3. Police report the criminal's behavior towards his victims was particularly \_\_\_\_\_.
4. I usually use a Mac because they're nearly \_\_\_\_\_ to viruses.
5. Blood and violence makes me so uncomfortable. I'm really \_\_\_\_\_.

The AP reported a story of child exploitation in Africa today. Children in rural villages are taken from their homes to perform \_\_\_\_\_ tasks in local factories. The treatment the children receive is often \_\_\_\_\_ and many injuries are reported. Parents have protested the way in which the children are treated but the factory owners seem \_\_\_\_\_ to the pleas of the children's supporters. One child reported how, while working on an assembly line, his hand became twisted in the machinery. He was able to free himself with only minor cuts, an incident not for the \_\_\_\_\_ which illustrates the dangers of factory work. Besides being dangerous, the machinery is also particularly \_\_\_\_\_, which risks permanent hearing loss in young ears.
