

THE

# CITY

**A:** Look at this. This is so awesome!

**B:** What?

**A:** All these people! All these cars! I love it.

**B:** You're really a city girl.

**A:** Oh, of course. There's so much to do here. Look around you. We can do anything!

**B:** Okay, okay. So what's first?

**A:** First, I need some coffee. And let's see if we can get some tickets for a show.

**B:** A show? I think we have to get tickets in advance.

**A:** I know. But let's try to get them anyway. It'll be fun.

**Let's see if we can**

get tickets

for a show.

make a reservation

for tonight.

find a parking space

for the day.

buy a day-pass

for the subway.

figure out where to go

for lunch.

**A:** Look at this. This is so awful!

**B:** What?

**A:** All this garbage! All this traffic! I hate it.

**B:** You're really not a city boy.

**A:** Oh, of course not. There's nothing to do here. Look around you. We can't do anything!

**B:** Okay, okay. So what do you want to do?

**A:** First, I need some fresh air. So let's see if we can find a park to relax in.

**B:** A park? I think we have to go uptown.

**A:** I know. Let's try to walk. It'll be fun.

# THE COUNTRY

- A:** This is fantastic!
- B:** You really like being out in the mountains, don't you?
- A:** Yeah, I love it. The scenery is beautiful.
- B:** Yeah, you can get a good view of the area from up here. When was the last time you went hiking?
- A:** Not since I was a kid. I was in the Boy Scouts.
- B:** Nice. I was a Girl Scout. I loved catching bugs.
- A:** Really me too. I think I had a badge for that.
- B:** Nice. Let's see if we can catch some beetles.
- A:** That sounds good but I'm not taking them home.
- B:** Of course. I just want to hold them.

**Let's see if we can**

get

across this snow.

get a coffee

at that shop.

get there

before three o'clock.

get lunch

around here.

get

away from these bugs.

- A:** This is ridiculous!
- B:** You really don't like the mountains, do you?
- A:** Not at all. I think this was a mistake.
- B:** You said you wanted some fresh air.
- A:** Yeah, but this is a little too much. What is that up ahead? Is that ice?
- B:** Yeah. It looks great. Let's see if we can get across.
- A:** Ok, but then I want to take a break.
- B:** Alright. I think there's a rest station up ahead too.
- A:** Oh good. Let's see if we can get a latte there.
- B:** It's a rest station, not Starbucks.
