# Which would be worse...

- A:** Are you ready for your camping trip?  
**B:** Yeah, I think so. But I'm a little worried.  
**A:** Why?  
**B:** It might rain this weekend. That's kind of a pain.  
**A:** Yeah, that's true. But which would be worse, some rain or some snow?  
**B:** Rain would definitely be worse.  
**A:** Yeah? Why?  
**B:** If it snowed I could stay dry. If it rained I would get wet and it would be really uncomfortable.  
**A:** See, I think snow would be worse.  
**B:** What? Why?  
**A:** Because it would be so cold. I just don't like the cold.

Which	do you think	would be	worse,	losing your keys	or	phone?
Honestly,	losing my phone		better,	having a cat		a dog?
To me,	having a dog			because		it's easy to get another key.
						I like taking walks.

- A:** Are you doing anything this weekend?  
**B:** I don't know. I haven't decided yet.  
**A:** Do you usually go out?  
**B:** Sometimes. I like going out with my coworkers but sometimes I just like to stay home. What about you?  
**A:** I'm not sure. There's a movie I want to see but my friend is playing a show this weekend too.  
**B:** Which do you think would be better?  
**A:** Honestly, going to the show would be better because I can hang out with my friend later.  
**B:** Nice. If you have time, why don't you do both?  
**A:** I just don't want to go to the movie by myself.
