

Went vs Have Gone

- A:** Have you gone to that new cafe yet?
B: Yep. I went there yesterday. It was nice.
A: I like it too. Actually, I've already been there twice this week.
B: Have you tried the food?
A: No, I just got some coffee. It was ok. But the latte art wasn't so good. It was a little sloppy.
B: I didn't notice.
A: Maybe it depends on who's making it. Well, I'm going to go there tomorrow.
B: Ok. Message me and we can go together.
A: Sounds good.

- A:** Have you bought anything for your girlfriend's birthday yet?
B: No, I haven't bought anything yet. Last year I bought some flowers. I might do the same thing again this year.
A: I've never bought flowers for anyone.
B: No?
A: Flowers are nice enough. But I just don't like them so much.
B: So what kind of things have you bought?
A: I've bought a lot of stuff like clothes and jewelry. Last month I bought my boyfriend dinner.
