

## Assignment:

1. Choose a destination you have never been to.
2. Choose what type of trip you would like to take:
  - **Luxury** - You travel first class all the way. You stay at high class hotels like the Hilton, enjoy fine dining, luxury cars and all the creature comforts. Money is no object for you.
  - **Budget** - You save money on hotels and airfare and enjoy walking to amazing locations in cities around the world. Local cafe's and restaurants are great stops along your way as you travel to museums and historic locations.
  - **Adventure** - A backpack is all you need. Head out on the road to exotic locations and meet interesting people in youth hostels. You enjoy total freedom and getting to know the real feel of the land you visit.
3. Organize your trip using English language websites:
  - **find airfare**
  - **book hotels**
  - **locate maps for walking and mass transit**
  - **locate special sties you want to visit (museums landmarks etc.)**
  - **make a general plan of what you will do each day of your trip**
4. Present your findings and the class will select their favorite trip.
